You've found 1st DJ's while we are glad you stopped here and hope that this is the 1st and the last place you need to be to select premium dj entertainment, feel free to browse the net you'll find we keep this process simple and your event fun.

We have over 20 years in the entertainment industry and have provided dj entertainment for over 5,000 events. We've learned how to simplify the process for today's busy bride, event planner, private party host and faculty advisor.

We offer easy to use online tools like access to our legally licensed song library of over 50,000 titles, planning forms and more. We're also a phone call and email away.

We also offer a full time staff, we don't do this part time, so while you're at work have no worries about your event, we're on it. We can also meet you face to face after work, during your lunch break or on your day off. Simple. Affordable. Fun.
